

WHITLEY LODGE UNDER FIVES

NO SMOKING or VAPING POLICY

Statement of Intent

Our Pre-school believes that healthy attitudes can be learnt in the early years. We recognise that research shows that smoking is both a fire hazard and a risk to physical health.

Aim

We aim to protect children from smoke and vapour in the environment and to promote awareness of the health issues surrounding smoking.

Method

- Smoking/vaping is not permitted in the Pre-school building at any time.
- Smoking/vaping is not permitted in the outside play area or anywhere on the school site.
- No smoking and no vaping signs are displayed in the pre-school lobby and main room.
- Health education literature is displayed in the lobby.

This policy was read and understood by all staff.
